

# **SEBASTIAN HARVESTING**

## **Sebastian Harvesting**

### **SOP: Handling and Storage of product containers**

Cartons are stored at the Braga Ranch Carton Yard.

Cartons are kept on pallets and organized by label.

All cartons are covered with tarps or plastic wrapping until use.

The carton yard area is maintained free and clear of debris.

Rodent control stations are located at 60 ft intervals on the perimeter

Visual inspection takes places previous to product procurement as needed.

Totes are stored at the Braga Ranch Spring Mix yard. (Cilantro, Parsley, Kale cartons stored at Braga Ranch Spring Mix yard as well)

Totes are kept on pallets and organized by color.

All totes are covered with tarps or plastic wrapping until use.

Visual inspection takes places previous to product procurement as needed.
